2 Trauma-Informed Lawyering

While lawyering is all about assisting our clients to navigate conflict, few of us were taught the skills to maintain our own physical, mental and emotional well-being in the midst of it. In this program, Dr. Franca Baroni shares how prolonged exposure to how trauma impacts our health and lawyering. She will provide simple tools and strategies to increase well-being to become even more effective advocates.
Dr. Franca Baroni - The Public Heart, Seattle, WA

3 Be on the Lookout: Vulnerable Adult Protection Action Changes Coming Your Way on July 1, 2022

In 2021, the Washington State legislature passed a new law which consolidated the six types of civil protection orders in the state within the framework Chapter 7.105 RCW. In doing so, the legislature developed new requirements for the filing of, notice of, and prosecution of vulnerable adult protection actions (VAPAs) which take effect on July 1, 2022. This presentation will provide an overview of VAPAs and examine the changes which will take effect once Chapter 7.105 RCW takes effect.
