### REPORTING YOUR CREDIT

This on-demand seminar was originally presented as a live webcast on August 1, 2023, in Seattle, WA. If you attended the live webcast and reported CLE credits, you cannot also report credits from watching or listening to this recording if repeated within your three year reporting period.

### DESCRIPTION

Vicarious trauma is not the only stressor associated with working with traumatized clients. Often, traumatized clients themselves can be aggressive, hostile, difficult and/or unhelpful. Effective management of these clients, based on understanding how trauma impacts your particular client, is crucial to managing your own stress and preventing burnout. In this seminar, we will cover these management strategies plus relevant ethics, including RPCs 1.1, 1.2, 1.4, 1.14, 1.16, and 2.1.
